HHSKIN SERVICE LIST

# LASER HAIR REMOVAL

HERE AT HHSKIN WE USE SOPRANO ICE LASER HAIR REMOVAL, WHICH IS THE LEADING AND AWARD WINNING PAIN-FREE HAIR REMOVAL SYSTEM WITHIN THE MEDICAL AESTHETIC INDUSTRY.

THE SOPRANO ICE OFFERS SUPERIOR RESULTS THAT ARE MORE CONSISTENT AND RELIABLE FOR EVERY SKIN COLOUR (UNLIKE OTHER LASERS, WHICH GIVE INCONSISTENT RESULTS FOR DIFFERENT SKIN TYPES AND DARKER SKIN COLOURS). IT ALSO DELIVERS EXCELLENT RESULTS WHEN TREATING SENSITIVE SKIN AND BODY AREAS, THANKS TO ITS GENTLE SWEEPING MASSAGE TECHNIQUE.

THE SOPRANO ICE COMBINES THE BEST LASER FOR HAIR REMOVAL – USING THE INDUSTRY ‘GOLD STANDARD’ 810-NM DIODE – WITH AN EXCLUSIVE ‘IN MOTION’ APPROACH. THE SENSATION FELT DURING THE TREATMENT HAS BEEN LIKENED TO A ‘HOT STONE MASSAGE’ (WHEREAS OTHER HAIR REMOVAL LASERS CAN FEEL LIKE A RUBBER BAND SNAPPING AT YOUR SKIN OR CREATE AN UNPLEASANT BURNING SENSATION).

THERE IS LESS RISK OF SIDE EFFECTS ASSOCIATED WITH THE SOPRANO ICE THAN OTHER HAIR REMOVAL LASERS. THIS IS BECAUSE THE ‘GOLD STANDARD’ 810-NM DIODE LASER HEATS THE SUB-DERMAL LAYERS FIRST, PROVIDING MORE PROTECTION TO THE DERMIS, EVEN IN DARKER SKINS. THE SYSTEM ALSO USES A DUAL CHILLED COOLING HEAD TO FURTHER PROTECT THE SKIN.

A PATCH TEST IS REQUIRED. YOU WILL ONLY NEED TO WAIT 15 MINUTES BETWEEN THE PATCH TEST AND HAVING THE TREATMENT IF YOU WANT TO GO AHEAD WITH IT THERE AND THEN - WE CAN FACILITATE THIS IF YOU ARE ABLE TO GIVE US ADVANCED NOTICE. ALTERNATIVELY, WE CAN BOOK YOU IN FOR YOUR FIRST TREATMENT POST PATCH TEST.

**PER SESSION**

**FULL LEG OPTIONS:**

FULL LEG £290  
HALF LEG £180  
HALF LEG INC KNEE £200  
FEET £80
